Help Santa find his list!

Logical Thinking

John, Matt, Cathy, Sonya, and Cecilia are playing a game. Logically thinking, they are taking turns in order of shortest to tallest. See if you can figure out who goes first, second, third, fourth and fifth by using the clues below.

- Clue 1 John is not the Tallest
- Clue 2 Cecilia is taller than Cathy
- Clue 3 Sonya is the shortest
- Clue 4 The tallest person is a boy
- Clue 5 Cecilia is shorter than John
